IIT Madras School Connect Program
Hands on Career Experience Programs
For Class X, Class XI & Class XII Students

Student Registration is now OPEN! Follow the instructions to register.

We are happy to share that Sanskriti School has registered as a partner school with IITM to bring this opportunity to our grade X, XI & XII students.

Students should apply to only one of the courses offered, at a time.
More details are available on the website.

Student Help Guide - Click Here.
Course Registration form link for students -
https://code.iitm.ac.in/code-programs/SchoolConnect2025-Aug/

Student Regn Start Date	**Jun 16, 2025**
Student Regn Close Date	**Jul 25, 2025**
Course Start Date	**Aug 04, 2025**

Students have to register directly via the registration form. Students have to fill this form & upload a scanned copy of their school id card. Only students must fill this form. Parents/Teachers should NOT fill the form.

- **The form is OTP-based and hence the student should use their own Personal email ID (preferably Gmail id) for registration. DO NOT USE PARENTS/TEACHERS EMAIL ID OR EMAIL IDS WITH SCHOOL DOMAIN.**
- **Select the correct School Name (there are multiple schools with similar name) from the given drop-down list while registering.**
- **The registration fee is to be paid directly by the student.**

THE CIVIL SERVICES SCHOOL

About the program:

Introduction:

IIT Madras has launched short 8-week programs across various disciplines to introduce students to diverse fields of study. These programs will offer a unique opportunity for your students to explore different career paths and gain practical insights into their future academic journeys.

Currently, 8-week certification courses will be offered in the following exciting topics:

        Introduction to Data Science and AI

        Introduction to Electronic Systems

        Introduction to Architecture and Design

New Courses:

        Introduction to Engineering Biological Systems

        Introduction to Law

        Fun with Math and Computing

        Math Unplugged: Games & Puzzles

        The Joy of Computing

        Humanities Unplugged

        Introduction to Ecology

        The Fundamentals of Aerospace

Students should apply to only one of the courses offered, at a time.

Eligibility:

The eligibility criteria for the certification courses are:

Course	Eligibility	Course Fee
Introduction to Data Science and AI	Any student studying in Classes X, XI & XII	500/.
Introduction to Electronic systems	Class X students and those studying Maths & Physics in Class XI & Class XII	500/.
Introduction to Architecture and Design	Any student studying in Classes X, XI & XII	500/.
New Courses		

Introduction to Engineering Biological Systems	Any student studying in Classes X, XI & XII	500/.
Introduction to Law	Any student studying in Classes X, XI & XII	500/.
Fun with Math and Computing	Any student studying in Classes X, XI & XII	500/.
Math Unplugged: Games & Puzzles	Any student studying in Classes X, XI & XII	500/.
The Joy of Computing	Any student studying in Classes X, XI & XII	500/.
Humanities Unplugged	Any student studying in Classes X, XI & XII	500/.
Introduction to Ecology	Any student studying in Classes X, XI & XII	500/.
The Fundamentals of Aerospace	Any student studying in Classes X, XI & XII	500/.

Program details:

Recorded lecture videos will be released every Monday; the content will be for a duration of 1 hour, which students can watch any time throughout the week
Live interactive sessions on Saturdays at 5pm IST
Online assignments - Total 4 assignments - once in 2 weeks with 2 weeks timeline for submission.
8 weeks of this schedule will be administered from August 04, 2025.

Mode of delivery

The learning content will be provided weekly as pre-recorded videos. As these are recorded videos, students can watch anytime, anywhere.
Access to the learning content will be given to the registered email id.
Assignments can be solved and submitted online, within the prescribed deadlines

Syllabus

Please find the syllabus here - Link
